

# TL-SF1016D

TP-LINK TL-SF1016D 16 PORT 10/100MBPS DESKTOP SWITCH, 16× 10/100 Mbps RJ45 Ports, External Power Adapter(Output: 5.0VDC / 0.6A), Fanless Design

|             |            |
|-------------|------------|
| Model       | TL-SF1016D |
| Brend       | Tp-Link    |
| Port sayı   | 16 Port    |
| Port sürati | 100mb/s    |

## Specification

| HARDWARE FEATURES        |                                                                                                 |
|--------------------------|-------------------------------------------------------------------------------------------------|
| Interface                | 16× 10/100 Mbps RJ45 Ports<br>AUTO Negotiation/AUTO MDI/MDIX                                    |
| Fan Quantity             | Fanless                                                                                         |
| Physical Security Lock   | No                                                                                              |
| External Power Supply    | External Power Adapter(Output: 5.0VDC / 0.6A)                                                   |
| Mac Address Table        | 2K                                                                                              |
| Dimensions ( W x D x H ) | 7.9*5.6*1.6 in. (200*142*40 mm)                                                                 |
| Max Power Consumption    | 3.23 W (220V/50Hz)                                                                              |
| Max Heat Dissipation     | 11.01 BTU/h                                                                                     |
| SOFTWARE FEATURES        |                                                                                                 |
